Mr. Laney Miller,
Deport, Tex.

Dear Mr. Miller:

Thank you for sending the small iron meteorite
to us.

I was out of town, in Washington on some business,
from Mar. 11 until yesterday; otherwise I would have an-
swered you sooner.

At the present rate we are paying for these, this
piece will bring \$1.95, for which I enclose my check.

If you or friends find others, I would appreciate
hearing from you and having you send them in. Generally
I am here and will send the money back in one to two days.

Yours sincerely,
