July 1, 1935.

Dear Mr. Mammig:

I am sending 3 more meteorites found near Shodowland John & Wright's store.

The big one weights 2 pounds 6 oz. the other 2 I didnt weight them and you tell me what each piece bring when you answer.

I have been so busy didnt have time to make a map so I will soon and send it to you.

yours sincerely
Marvin Betterton
