Oscar E. Morning

312 W Lenda

It Worth Tex.

Dear sir

I am sending you the three  
meteorites I have found  
today. Please send me a  
check for them at once.

In regard to the meteorite  
I sent you some time ago  
weighing  $\frac{1}{4}$  lb. Mr. Rinniger  
settled with me for it also  
when he was here

Yours Truly

W. A. Gifford
