

Deport Feb 10-16-33

Us Car & morning.

Dear Sir.

Am sending you a piece of
meteorite I found on heavy
black soil found on top
of the ground. I have a
brother piece I have found
since I wrote you being
around a lb. what do
you pay a lb. Is a do
you pay any more per lb
for small pieces than
you do for large one.

Yours Truly

W. A. Gifford +
