CHANCELLOR DELIVERS DISCIPLES ADDRESS

Members of the Christian Church (Disciples of Christ) need to feel better about themselves, Chancellor Bill Tucker told some 8,000 gathered for the Disciples General Assembly in Des Moines.

Opening the assembly Aug. 2, the chancellor told the Disciples representatives, "To be blunt, we have kicked ourselves around the block long enough: we are sackclothed and ashed out." Explaining the assembly theme, "Dare to Be Disciples," he pointed out, "Time and again we have met the enemy only to discover that we are they. Instead of boasting of our place in the sun, we have wondered whether we have a place at all."

The emphasis on being Disciples takes nothing away from their efforts toward unity, Chancellor Tucker added. "For 175 years, Christian unity has been our business--and still is."

Challenging the audience to dare to claim their heritage and be Disciples, he said: "Together, miracle of miracles, we just might discover the power and the grace behind those familiar words: 'You are mine. I have chosen you. So, get off your back. Stand up straight. And walk.'"

TCU staff and faculty members attending the assembly in addition to the chancellor included Clyde Foltz, Gilbert Davis, Toni Newton, Stella Mae Barber, all staff members; Jack Suggs, Don Pittman, Bill Baird, Joey Jeter and David Polk, all of Brite; and Jim Atwood of religion-studies. The assembly marked the close of the chancellor's two-year term as moderator of the Christian Church.

FINAL HOUSING REPORT SHOWS CONTINUING TREND

The trend of significant increases in freshmen as well as an increase in transfer students continues, according to the Aug. 1 residence hall reservation status report issued by housing director Don Mills. The freshman housing reservations are up 14.3 percent over a year ago, while the transfer student increase is 4.5 percent. The slight decline in returning students is -0.7 percent.

In the report, Don called attention to the fact that the freshman male increase exceeds the freshman female increase slightly, 71 to 68 students.

Residence halls officially open Aug. 24, but some students will arrive earlier. Football players begin arriving tomorrow, and next week band, orientation and fraternity/sorority students will begin to move in.

Because of the overcrowded situation that will result in a large number of triple rooms, Don noted, some male students may be housed temporarily in residence hall lounges. This is expected to be a short-term arrangement, however.

NEW BRACHMAN COURSE WILL DEAL WITH HEROES

"Where Have All the Heroes Gone? History of a World in Turmoil" is the new fall Brachman course to be sponsored by the history department. Beginning with "The Kennedys: An American Tragedy," the course (History 3970) will trace history from 1960 to 1985, ending with "The Nuclear Dilemma." Limited to 200, the class already has 100 students pre-registered.

This three-hour credit course, the last of a five-part film series, is coordinated by John Bohon. Most of the history department faculty members will participate in class lectures along with several outside speakers during the Wednesday evening sessions.

Some of the films to be used as teaching tools will include "John Fitzgerald Kennedy," "Vietnam: A Documentary," "The Autobiography of Miss Jane Pittman," "The Making of A President 1968 and 1972," "Women's Rights in the U.S." and "Dr. Strangelove."

During recent closing ceremonies for the TCU Upward Bound summer program, curriculum supervisor/instructor Lina Allen was chosen by her students as "Teacher of the Year." Written tributes by students and co-workers were published in the last edition of the student newspaper presented to her during the awards presentation.

Although this is the fourth time for her to receive the award during her 13 years, she said this will be one of the most memorable because it was her last session with Upward Bound. Her retirement is effective Sept. 1.

Two Fort Worth high school seniors and director Charles Latham also were honored. The Leadership Award was given to Alejandra Romero and the Outstanding Bridge (senior) Student was awarded to Rose Alvarez. Charles was presented a plaque from the 70 students who participated in the 1985 summer program.

Most of the 32 seniors will be attending college this fall. New 10th, 11th and 12th graders from the area will enter the program when the fall sessions begin on Sept. 7.
