Sept., 21, 1923.

Mr. Amon G. Carter,
Care Star-Telegram,
Fort Worth, Texas.

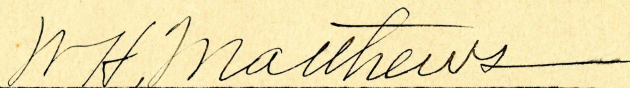

Dear Mr. Carter:-

The contract has been let for excavation for the Methodist Hospital and the dirt breaking will take place at 4 P.M., October 9th.

In behalf of the Board of Trustees, the Building Committee and the Program Committee, I am re-newing the invitation given you some time ago to represent the Citizens of Fort Worth on that occasion, in a short address. We greatly appreciate the assistance you have given this enterprise and trust that nothing will prevent your acceptance of this invitation, for we want to make it worth while.

An early answer will be greatly appreciated.

Sincerely yours,

Methodist Hospital Commissioner.
