November 29, 1923.

Mr. Amon G. Carter,  
President, Board of Regents,  
Texas Technological College,  
Fort Worth, Texas.

My dear Mr. Carter:

Allow me to add both my personal and official invitation to that of the University Club, and urge that you attend the informal dinner honoring Dr. Paul Whitefield Horn, on Saturday evening, December 1st, in this city.

This meeting will afford an excellent opportunity for the educators with similar interests to meet, and at the same time give recognition to the beginning of what is to be a splendid Texas institution.

I hope I may see you on this occasion.

Sincerely yours,  
*E. R. Cockrell*  
Mayor, City of Fort Worth.
