Mr. Amon G. Carter,
Star-Telegram,
Fort Worth, Texas.

Dear Amon:

The telegram you sent to Mitch Thorsen was read this morning (26th) to my gratification and great pleasure as well as to the amusement of the organization.

It was mighty fine of you to express yourself so cordially and with such friendliness.

Our association and friendship has been a matter of great pleasure to me over a long period of years and I am always hopeful that it will so continue.

Our real friends in life can be numbered on the fingers of one hand and it is my great joy to number you right on the thumb.

I saw Lee out at the tracks Saturday and I am of the opinion that things were not so good out there. It was a nasty day both from the standpoint of weather and money for me.

With kindest regards and best wishes -

Sincerely yours,

E. M. SWASEY
