Dear Sir:

The Writer wishes to express to you his appreciation and thanks to you and your good Paper for all that you have said and done, regarding our mutual friend E. D. Farmer.

Mr. Farmer and I have often talked of you, especially so here of late and I can safely and truthfully say to you that Mr. Farmer appreciated you as a loyal worker for Fort Worth.

Thanking you again, in behalf of Mr. Farmer, I remain,

Yours very truly,
