

OFFICE MEMORANDUM

Handwritten initials
Mr. Carter.....

Date... 6/11/24.....

..... Department

I am very glad indeed that Mr. Beggs was so pleased with the stories we carried concerning Mr. Ed Farmer. Mr. Farmer's prominence in the life of Fort Worth and his good deeds certainly merited all that was said of him, and likewise the handling of the stories in the manner in which we handled them. I hope the close friends of Mr. Farmer noted the contrast in our manner of handling it with that of the Record. JMN
