Mr. A. G. Carter Fort Worth
Tex.

Amon. My Dear old boy I
suppose you are at Home
by this time so will write
you a few lines just to
let you know how much
good it does me to get your
very kind letter written A
Board The Majestic it sure
made me feel good to know
that I had one true friend
that ever remembered me
even in his Gravel on land
or Sea it sure makes one
feel good and at the present
time when I am ever so
lonely it is 5 months ago

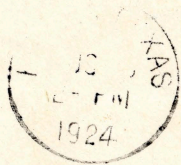

To day since we said Harry
Away and now I am all
alone in the old House with
Marshall, little six year old
girl they are all out trying
to do for them selves and
we are getting along very
well by our selves not trying
to set meals just rent my
rooms while at the present
it is very quite around Bonnie
and not much doing we get
by all right, but I never
did thank you for the ad
you was so kind to put in the
Paper for me it helped me
to sell most of the chickens
and at a fairly good price

only have six left and I got
Enough out of them to get
The Funeral Bill down to fifty
Dollars. it Was one hundred
and 28⁵⁰¢ so I thought I
done pretty well I surely can
make the rest this winter and
you know how kind and nice
Mr. Burgess always is and
he taken care of ever thing
at the time and told me
not to worrie one bit and
that always makes me
more anxious about such
things but ever time I give
him any thing he says now
dont rob your self so that
makes me feel good again

Well I guess I had better close
before I tire you out and
make you try to forget me
for I don't want you to do
that for I always think of
you as one of my own
boys so be good and remem-
ber me always as ever your
sincerely friend
