Mrs. M. E. Bedford,  
Bowie, Texas.

My dear Mrs. Bedford:-

Following my arrival home last night, I find your very interesting letter which was very much appreciated. As a matter of fact, I think it arrived on the same train with me as I passed through Bowie Monday afternoon enroute home from Colorado Springs, where I had stopped over a day with my family. I had a chat with John Jackson at the station and asked him how you were and also asked him to give you my regards. I am sorry I didn't have time to run over and say hello.

I note what you say regarding the matter of having the funeral expense of Harry now down to \$50.00 and I am enclosing, herewith, a check for \$50.00. You can take it to Mr. Burgess and square up the account and relieve you of any future worry in that respect and you can take the money that you would have saved for this and use it for something that I hope will bring you much pleasure. You are a nice, sweet, old soul and I always enjoy hearing from you.

If you should come to Fort Worth anytime, please let me know.

With much love, I remain,

Sincerely,

AGC.KM
