Dear Ammon, of your
kind and ever welcome
letters came in due time
am always glad to hear
from you but was some
what surprised to get the
check do sincerely hope
you didnt think I was
even thinking of such
A thing when I wrote
you about the Ballance
I was only trying to
show you how much
good your add had done
for me and I certainly
did appreciate it. but

I did as you told me I
sent for Mr Burgess and
he came down and we
settled up and I sure do
feel better and if it is
the good Lord's Will I
may in some way be
able some day to return
the favor I know I can
Pray for your success
not only in this life
but in the one to come
which I hope you will appre-
ciate for I hope you know
I am ever your true friend
for friendship alone I am
as ever yours
