Amn. G. Carter,  
J. F. Worth  
Dear Carter;

To say to you  
that I met this gentleman  
(card herewith attached)  
and you being so  
well acquainted with  
him, it is hardly  
worth while my  
saying that I found

him to be a good  
company - broad  
minded, strong and  
dependable -

Trusting that you  
and I, together, some  
day will have the  
pleasure of receiving  
his acquaintance -

I remain

Yours  
Geo. Buff
