

## REGISTRATION DATA

We are not ready to release figures on registration. These will be available in next week's bulletin. The new students, both transfers and freshmen, are registering today. This group seems to be about the same size as last year.

There will be no opportunity for students to register on Friday and Saturday. Monday, the 19th, will be the final opportunity for late-comers to register. These who come late will start their registration at the Registrar's Office then follow the customary routine.

Please require all students to identify themselves for your class by the little pink "Student Enrollment Card" with your course shown, (when you are in doubt regarding approval for attendance.)

The Preliminary Class Rolls will be available in about another week. Watch for them and give all the help you can where adjustments are needed.

No "drops, adds or changes" are to be made until Monday, September 19. These must be confined to Monday, Tuesday and Wednesday, the 19th, 20th and 21st.

If students have not paid their account and fully completed their enrollments by the 21st they will not be considered in school.

## ATTENTION FACULTY:

The attention of all faculty and staff members is invited to the fact that they may purchase season tickets at a specially reduced price for the five major productions to be presented by the Drama Division of the School of Fine Arts. The season ticket is priced at \$3.00 for off-campus patrons and \$2.50 for wives of regularly enrolled students. Single admission is \$ .75. With the fall season we will have the opportunity to utilize the splendid new Little Theatre in the new Fine Arts Building. Thus, the drama staff is in a position to present elaborate and finished productions in a theatre offering superior seating, visibility, and general comfort.
