

SERVICE TO THE FACULTY

The first window to the right on entering the Registrar's Office is for use of faculty members. Come to that window and we will give you the best possible service. Any mail you wish sent to other departments may be placed in the little post office near this window where a young man from the Business Office will see to the delivery.

DROPS AND ADDS

By action of the Registration Committee we have made every possible effort to clear all drops, adds, and changes during the three days, September 19, 20 and 21.

LATE REGISTRATIONS

The offices have been besieged by people seeking to register late. This is distressing to every office approached and also to the student seeking late registration. Each case is being worked out individually. In any event the Dean's approval must be secured before anything else can be done. Before counting any student as a bonifide member of any class require the student to prove his identity. Your help on this point now will save problems later. We must be accurate in registration.

THE PRELIMINARY CLASS ROLLS

The preliminary class rolls will come to you in a few days. Please check them carefully and quickly.

S.W. Hutton, Registrar

ATTENTION FACULTY

Through an oversight, the published schedule of classes did not contain Speech 01, a course designed for students who have a voice or articulation handicap.

If you have a student in one of your classes who is obviously in need of direct clinical assistance please send him to FA Bldg., Room 113A for aid.

We will work with him this semester despite the fact that he is not enrolled in the Speech 01 course. Hours for this work will be arranged for the students and clinicians convenience.

E. L. Fross,
Speech-Drama-Radio Dept.
