

SPECIAL NOTICE

Due to the schedule of the memograph operator, the deadline for Faculty Bulletin material has been changed to 10 A.M. Wednesday instead of 3 P.M. Wednesday.

THE LIST OF GRADUATING SENIORS

At the close of each semester a number of our students complete degree requirements. As so many of these young people are being graduated in June and August of each year, we grow so accustomed to the list that we overlook the importance of this experience in the life of each student.

While we will have no mid-year commencement, there will be some sixty or seventy-five of our seniors who will complete all degree requirements by January 1950.

Deans and Department Heads charged with the responsibility of keeping Petition Sheets up to date are urged to turn in these Petition Sheets on all who will complete degree requirements this semester. Do it now! that the Registrar's Office may give each one the final checking and work out the grade point average. Thanks for your help!

THE PRELIMINARY CLASS ROLLS

We have purposely delayed sending out the Preliminary Class Rolls that the drops and adds, also changes might be included. You will receive these shortly along with a letter on procedure.

S.W. Hutton, Registrar

MINISTERIAL RETREAT OCTOBER 6

Both graduate and undergraduate ministerial students have administrative approval for attending the Ministerial Retreat which will be held in Mineral Wells on October 6. We are asking that faculty members cooperate to the extent of permitting ministerial students and young ladies classified as Christian Service students to attend this meeting, to the extent of permitting them to bring up their assignments although absent on this date. A list of eligible students who attended will be published in the Faculty Bulletin immediately after the Retreat.
