

APPLICATIONS FOR FACULTY RESEARCH GRANTS

All applications for faculty research grants must be submitted to the office of Dean Moore, Chairman of the Faculty Research Committee, before Thursday, November 10, at 4:30 P.M. in order to be acted upon this fall. Persons interested in applying for a grant should obtain an application blank from Dean Moore's secretary, who will also make available mimeographed material giving information concerning the nature of projects which may be approved. Information may also be obtained by contacting other members of the committee, who are Dr. A. L. Porterfield, Dr. E. M. Jellinek, Dr. C. W. LaGrone, Dr. C. F. Cheverton, Dr. Joseph Morgan, and Dr. T. C. Crenshaw. In addition to filling out the formal application, applicants will be encouraged to present, in typed form, a more detailed outline, giving the background and objects of the project, consideration of work done by others on the specific problem, and a preliminary description of the method of approach to the problem. The Committee will meet at 2:30 on Thursday, November 17, to act on all applications. Applicants will be invited to be present when their applications are considered, if they wish.
