

FULBRIGHT PROGRAM MEETING

All members of the instructional staff interested in the provisions under the Fulbright program for opportunities for university teaching and advanced research in foreign countries are asked to meet in the Old Auditorium at 11:00 o'clock on Tuesday, November 1, for an explanation of this program. Dr. Comer Clay and I have just attended a meeting in Dallas where the program was explained, and Dr. Clay will give the explanation to our faculty next Tuesday. Dr. Clay will also have printed and mimeographed materials in his office. If you are interested in the program, be sure to mark 11:00 o'clock, November 1, on your calendar. The last date for completing applications for the academic year 1950-51 will be November 30, 1949.

BE SHOT, NOW!

There are only TWO DAYS left for faculty members to get pictures made for the Annual. Last year's pictures will be used unless new ones are made. For the benefit of new Faculty members, Orgain's Studio, 807½ Houston Street (above Milam Cafeteria), will make your annual picture at no cost to you. Please help us remember you in the years to come, because you had your picture made for us.
