LOOKING TOWARD MAY 31st COMMENCEMENT

1. All department heads are urged to check their Petition Sheets carefully for candidates for degrees at the May Commencement 1950.
2. Please bring these up to date showing all work completed and the courses for which the student is registered this spring.
3. A list of these names together with the petition sheets to match the list will be due in the hands of the Registrar not later than February 20th. Kindly be on time.*
4. This is an exceedingly important matter and the responsibility is one to be shared by those responsible. Delays and errors make the final checking in the Registrar's office very difficult. Often the student is embarrassed by our errors or delays.
5. *Names submitted from the Graduate School and from Brite College of the Bible (B.D. candidates) need not be accompanied by petition sheets but in each case please note the major subject and the degree.
6. Your prompt cooperation in meeting this request will be appreciated for it is a long, tedious job to check these in the Registrar's office after you have submitted the data. We had 185 to complete degree requirements in January and there will probably be 400 more coming through this spring.

S.W. Hutton
Registrar

TO ALL FACULTY MEMBERS

This is to remind you that early in the semester we are anxious to have reports of absence and other observed irregularities so that we may begin counseling before it is too late to be effective.

Please let us have careful and constant reports. We will appreciate your cooperation very much.

Thos. F. Richardson,
Dean of Students.

HEAR YE!

HEAR YE!

HEAR YE!

Do you know that your cafeteria is providing a new service just for you, the faculty and personnel of TCU? Yes, through the kind accommodation of Mrs. Orbeck, the cafeteria reopens each morning from 9:45 to 10:15 to serve you that pick-up cup of coffee. In case you don't want coffee, you will also find hot chocolate, hot tea, fruit juices, and milk. Donuts and sweet rolls go along with these beverages. And, miracle of miracles, you can even smoke in the cafeteria during this half hour. So why not drop in tomorrow morning when you need that breather? Bring your associates along and make a party out of it. There is no better place to settle the world's problems and make lasting friendships than over a cup of coffee. Besides, you'll feel better all day!!

FACULTY SQUARE DANCE CLUB

The Faculty Square Dance Club is in full swing! Dr. Karl Snyder, Chairman, announces that the Club is meeting each Wednesday evening at 7:30 in the Little Gym. The fee for the semester is \$1.00 per couple. Dancing will be Round as well as Square. All faculty members are urged to come join in the fun.
