

AGAIN? YES, AGAIN. (Those Petition Sheets)

Please remember, Deans and Department Heads, that the Petition Sheets on candidates for graduation August 28 are due in the Registrar's Office this week. Two or three departments have already responded ahead of time. Thanks!

The spring grades are ready for your use in checking if you need them. Bring the Petition Sheets up to June 5. We will follow through with detailed checking. Make sure to include all candidates.

DROPS TO BE MARKED "WF" - "WP"

Beginning June 16, all drops are to be marked by the teacher with either "WF" or "WP". Your cooperation in this notation will be appreciated. Book-keeping demands accuracy.

IMPROVED SERVICE

Through the IBM equipment and the new Dexigraph we are able to render more efficient and extended service both on the campus and to our patrons scattered throughout the land.

The spring grades have been mailed. They were printed on the IBM. This same equipment is making available for use of Deans, and others, copies of the grades. Yes, the grades are printed on the permanent cards by machine.

Transcripts have gone out by the hundreds this spring and early summer. Most of them are prepared by the photographic method and they are "readable".

Let us know in what ways we can serve your interests to better advantage.

Since spring grades did not come in on schedule, it is necessary to delay preliminary rolls for classes now in session. We will get these to you as soon as possible.

THE SUMMER ENROLLMENT

In the Faculty Bulletin of next week an itemized enrollment distribution will be printed for your information. We will have the largest number of Masters candidates in August that we have ever shown in our graduating lists.
