

PETITION SHEET TIME IS HERE AGAIN

If any of your majors need Petition Sheets ask them to make their needs known at the Registrar's Office right away for we will be too busy with papers on new students to get out these Petition Sheets after the next ten days.

All department heads are advised to bring their Petition Sheets up to date in the next ten days, that everything may be in readiness for the fall registration. If you need grades they are ready in the Registrar's Office except for the current summer term.

REGISTRATION INSTRUCTIONS

The usual sheet of Registration Instructions will be available in about two weeks. It is in process of preparation now. If you have any suggestions to offer turn them in now. We will appreciate any constructive suggestion you may have. When the sheet is prepared it will be too late for changes.

A CORRECTION (This is one on the Registrar)

In the Faculty Bulletin last week the statement was made that the August graduating class will be the largest for August at any time. This is in error. Last summer we had 364 this time 324. It is true, however, that we will have the largest number for any commencement to receive the Masters Degree.

S. W. Hutton, Registrar
