

A WORD OF APPRECIATION

To all who participated in Registration procedure we offer a sincere word of appreciation. At best, registration is a large undertaking. You helped loyally. We appreciate it. As registrations are still coming in, no final figures are available.

The Registration Committee

THE FACULTY BULLETIN

The Faculty Bulletin is issued each week on Thursday from the Registrar's Office, although it is not primarily for this office but for the entire Administrative Staff and Faculty. Items of interest to the entire faculty or to a sizable portion of the faculty should be included. Turn in your items not later than 10:00 A.M. each Wednesday.

AN IMPORTANT SCHEDULE

1. Adds and changes must close September 22nd. Please urge your students to meet this deadline and not request special consideration.
2. September 22nd is the final date for new registrations.
3. After October 14 drops must be marked with the usual "WP" or "WF". Your help in accurate marking will be appreciated.
4. Preliminary class rolls will be forthcoming in due time, but for the time being make your own rolls from the lists you made at the time of registration. If in doubt regarding any student request that he produce his little pink "Student Enrollment Card" for verification. Class, section, hour, teacher - all of these items are of first importance.

THE JANUARY LIST

It is exceedingly important that those charged with the responsibility of keeping petition sheets up to date turn in not later than October 15 all petition sheets with a corresponding list of names indicating those who are completing degree requirements by January 27, 1951. Careful checking on your part will make the final checking in the Registrar's Office much more satisfactory.
