

FACULTY BULLETIN

VOL. XXVII

October 4, 1950

No. 16

TO REMIND YOU

Repeating for emphasis an announcement appearing in the Faculty Bulletin of last week, your attention is called to the need for the list and petition sheets of January 1951 candidates. These should come from department heads and deans charged with the responsibility of keeping these active and up to date. Please turn these to the Registrar not later than October 15. By sharing in this responsibility with accuracy, the list may appear at a reasonably early date.

October 14 is the last date for dropping courses without grades being shown. After that date a course dropped must show either "WP" or "WF". There can be no exception in justice to all concerned.

FULBRIGHT ACT

S.W. Hutton, Registrar

Applications for University Lecturing and Post-Doctoral research abroad for the academic year 1951-52 under the Fulbright Act must be postmarked not later than October 15, 1950. For information concerning application forms, and additional information, see Dr. Comer Clay, Ad. Bldg. 214.

ATTENTION FACULTY!

If enough members of the faculty are interested, it may be possible to arrange with the Department of Physical Education to open the Little Gym on certain evenings for the benefit of faculty members and families. The faculty square dance group has been meeting every other Wednesday and will probably continue to do so. Anyone interested in any of the following activities, in the evening, please check the activities, sign your name and send this sheet through the faculty mail to Miss Kitty Wingo, Physical Educ. Dept.
