ATTENTION FACULTY

The final meeting of the Faculty Forum will be held on Tuesday, April 10, 7:30-8:30 p.m. in the Faculty Lounge of Jarvis Hall. Professors John Forsythe and Louis Ramsey will present a program of color slides on "Herpetology: Its Nature and Function in the Southwest", a pictorial study of reptiles and amphibians in the great Southwest and particularly in Tarrant County. Professors Forsythe and Ramsey have created more than local interest in this program; and this promises to be an evening of informal edification: "Herpetology once over lightly". Come and bring your guests.
