

JULY 4 CLASSES TO MEET JULY 7

Attention of the faculty is called to that part of the summer school calendar (p. 3 of the summer school bulletin) which provides for a holiday on Wednesday, July 4, but requires that the classes which were scheduled to meet on July 4th be held on Saturday, July 7th.

This is in keeping with our policy in the past and is an acceptable manner of fulfilling our obligation to provide five days of instruction during the week involved.

It is not within the discretion of the teacher to omit the class meeting on Saturday, July 7th.

Director of Summer School
