

CATALOGUES FROM HERE AND THERE

A sizeable number of catalogs are in the outer office of the Registrar's Office for use of faculty and students. Texas catalogs are on the north set of shelves and others are on the south. A few foreign catalogues are available.

September 19, 1951

These catalogs are regularly provided for your use and they are being used every day by someone. They are not to be taken from the office when that is done they are soon lost and out of file when others need them. If you do not find available the catalog you are needing, please request that it be available some time we will have it.

THE BIENNIAL PETITION SHEETS

May we suggest that each faculty member charged with the responsibility of Petition Sheets keep them up to date constantly. This will facilitate counseling, lead accuracy, and provide satisfaction. When a student has reached his Junior year he should have a Petition Sheet made. It is to request this at the Registrar's Office. Please give him a hint. More than two weeks have passed the January completion list will be called. We will not have a graduation at the end of the fall semester, but a number of students will complete their work at that time.
