"THOSE" PRELIMINARY ROLLS

Did we state it properly? Well, we know they were quite incomplete and apologize for the delays attending them. Situations over which we have no control will make it necessary to send out another Preliminary Roll. This will be done when the files have settled down after the avalanche of drops, adds, and changes can be properly processed. Thanks for your patience.

In the meantime make sure that every student attending a given class is enrolled for that specific class. His little pink card or a drop, add, or change of section will give the necessary information.

S. W. Hutton,
Registrar

THANKS TO CONVOCATION PARTICIPANTS

A word of thanks is due to all staff members and students who participated in the Convocation last Wednesday. It was a real exhibition of T. C. U. "on the march". The guests of the University for the day expressed their appreciation, too, for their opportunity to share in this high point of our Fall Semester. Thanks again to all you staff members.
