OPPORTUNITY FOR FACULTY MEMBERS

Y interest groups which meet weekly for discussion, singing, or recreation (bridge and canasta) wish to meet in homes near the campus and appeal to faculty members for their co-operation. Some of us have already had one or more of these groups in our homes and found it a thoroughly enjoyable experience and a real opportunity for furthering faculty-student relationships. (Incidentally, this request was written before the Skiff editorial last week, but it is one answer to that article.)

If your living-room will accomodate 12 to 18 students and you would like to share in this, will you please sign the following form and send it to my office through Inter-Office Mail?

TO ALL TEACHERS OF DAY CLASSES:

Please announce to your Monday and Tuesday classes that Dr. Robert A. Millikan, former president of California Institute of Technology, and one of the great living scientists, will address the student body at 10:00 Wednesday morning in Ed Landreth auditorium. No classes will be held during this hour and all students should take advantage of the opportunity to hear him.

Dr. Millikan will make two other appearances on the campus to which all students are invited. At 7:30 Tuesday evening he will speak in the Physics Lab Lecture Room in the basement of Goode Hall on "Scientific Research as an Adventure". All students who are doing or ever expect to do research should hear this discussion.

His final appearance will be at 6:00 Wednesday in the Study Lounge in the Ad Building. This is the meeting of the Presbyterian Students Association but they have invited all who are interested to attend. At this time Dr. Mill an will answer questions growing out of his address Wednesday morning.

Thank you,

The United Religious Council
