AN URGENT CALL

Now that the spring registration has passed and Deans and Department Heads have in hand the necessary information, we are requesting in the Registrar's Office a listing of your candidates for June graduation together with a copy of the petition sheet giving details looking toward that goal. A list of the names and these petition sheets should be handed to the Registrar by Monday, February 11, to give time for checking, figuring grade points, and the customary procedure looking toward June 1 graduation.

This reference does not relate to the January candidates whose names have already been turned in, but to those who will have finished their degree work in all departments by the end of the current semester. Kindly check each one in detail yourself and show the summary on the petition sheet. It will save the office time and will be more satisfactory both to you and the student. We will appreciate your prompt response.

S. W. Hutton
Registrar
