Dear Mr. Carter:-

I want to express to you my personal appreciation and at the same time voice the sentiment of every member of the Manufacturers and Wholsalers Association in saying to you we shall ever be grateful to you for the services rendered us as Tostmaster of the evening entertainment given to the Traveling Salesmen of Ft. Worth on December 30th.

It is just such cooperation that I received from you that encourages me to work harder to put Fort Worth among the "top notches" of all cities.

Again thanking you for the fine spirit shown in your work, and with personal regards, I am

Yours very truly,
