Mr. Amon G. Carter,

Fort Worth.

Dear Mr. Carter:

As a member of the local hotel campaign committee, I wish to thank you for the splendid address you delivered over radio last evening.

The 250 guests greatly appreciated every word, and at the conclusion gave you a tremendous applause. I wish you could have witnessed the enthusiasm you created. Your speech came in just at the right time on the program.

Lubbock is proud to claim your friendship, and is deeply grateful for the continually repeated assistance rendered by the Star Telegram. We are going to do all we can to back you on the Tech, and urge you to call on ^{us} for anything we can do.

Sincerely,
