Mr.A.G.Carter, Star-Telegram, Fort Worth, Texas.

My dear Amon:

It is seldom that a newspaper publisher gets the top of the first page of a competing newspaper unless he commits a crime, and the tribute paid you by the citizens of Fort Worth and the publicity given by the Record must make you feel mighty good. I know from observation that it is well deserved.

I am enclosing a little clipping from The Chronicle which may be of interest, and with best wishes, I am,

Most sincerely,

Assistant General Manager
