TWO WALL STREET  
NEW YORK

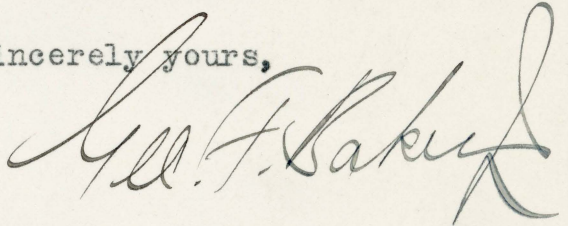

March 6, 1925.

Dear Mr. Carter:

I received the nuts, which I expect to enjoy as I have those that have previously been sent me. Thank you ever so much.

I also received your characteristically amusing letter and hope before long to pull the latch string which you are good enough to say will always be hanging on the outside.

Sincerely yours,

Amon C. Carter, Esq.,
