Sept. 28.

Mr. Amon G. Carter,  
The Star-Telegram,  
Fort Worth,

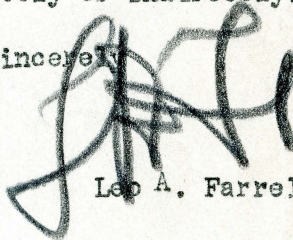

Dear Mr. Carter:

I have been thinking you might like to see how the interview you gave me while here last week looked in print and I do not think you will be able to get the Morning Tribune out of New Orleans.

Then, too, I might apply for a job again on the Star-Telegram and I would want you to know the kind of stories I write.

I trust you will like this story and that it will do West Texas some good, directly or indirectly.

Sincerely,

Leo A. Farrell
