ATTENTION Mr Oscar E Monnig,

Dear Sir;

Your letter of Sept 20th at hand, contents noted.
The pieces of meteorite I have was found about seven
miles south of Coon Mountain and evidently are parts
of the Canyon Diablo meteor.

I have about 100 lbs in pieces of 1 to 5 lbs
weight, if anyone is interested will sell for 50¢
lb, the prevailing price here is 1.00 a pound.

Yours Very Truly

Jos.J.Waldhaus
