Subject Cape York sent

Dear Art,

Thanks for your interest in the large Cap York slice. I sent it yesterday to your TCU address by registered airmail parcel. Should arrive within one week (hopefully). Custom declaration was made as follows:

Metallurgical iron sample for Study Purposes only. Gift. value: US\$ 30.00 (thirty dollars)

The slice was sent in unetched condition. Our friend David told be, that your staff people have very good experience in etching, so enjoy... Cape York shows great Widmannstätten pattern!

I will send you this weekend another envelope with the "Certificate of Authenticity" plus my jnmczurich collection lable. A copy of the Copenhagen Museum Collection lable will be sent as soon as possible, but not now. Until now I havent received the Collection lable from the Copenhagen Museum for some unknown reason. It was promised to me but I cannot reach the curator Dr. H. Haack since weeks...

Please find attached the electronic copy of the "Certificate of Authenticity" (pdf-file) attached.

All the best for you and please let me know after you have received the Cape York slice.

Thanks in advance and very best regards
Jürgen
