Dear Bill

Got my days mixed up in my last note. Susan's birthday is Sunday the 26th so I want to be home, at least in the afternoon. I was thinking her birthday was Monday.

If you are going to arrive in Colorado City by noon or early afternoon (Sat 25th) I could be there waiting for you at the airport and spend Saturday afternoon with you. If you are not planning on arriving Colorado City early enough I'll hop over Sunday morning early & come back about noon.

I suggest that you call Sam.

I plan to drive to Ft Worth Early Sat. morning and meet you someplace - Let me know time and place.

Sam's full name is

I think that the Sunday morning meeting with Sam will be best as you have already suggested -
