Mr Oscar Morning
& Morning D & Stone
It worth - Lux

Sir, If you or one of your associates are
ever in Stephenville, I think you will find
it worth your while to drop by & see my
Meteor - One the size of a grape fruit and
about 99% metal and about 4 Karats of Needle
point diamonds,

2 Crystals - 3 Karats Diamonds - no metal
but a heavy matrix of unusual nature.
I trust I may have the pleasure of
meeting you.

My home and garage Lab is located at
437-5 Belknap St. Stephenville Tx
