Herbert V. Schulz was formerly at 4115 Shoreline Drive, Dallas, Tex. Now he is listed at 3043 West Pentagon Parkway, 339.3912, but party at that number said he had moved. I found he was at the Chanticleer Apartments* at Spring Valley and Coit Road near a Tom Thumb Shopping Market center in Apt. 2018, 14240 (?) Haymeadow, a road which circles the apartment.. His phone number is 233-4225' this address is in Richardson.

He said he had been in New Orleans on one job and the sone told me was now with LTV (?) on some sort of Navy Contract (.??)

He still insisted he had no interst in parting with the Carnfills Gap meteorite. Both his father and mother are now dead. He once mentioned the subejct of old brown rocks to a man in that neighborhood who was quite an outdoorsman and explorere but he said he had never found anything of the sort.
