

Crescent, Okla.
Sunday 5pm

The weather was so bad that I stayed at Chickasha yesterday, but spent the night with Bunch. I will stay with him again to night. Tomorrow ^{night} I will stay at Kiefer.

I spent all this pm. looking in the pastures in Bill Kiberson's section - and found nothing. There still seems to be some interest but no one has any luck. The wheat fields are practically ruined for any chance. I may come or go by Pryor. I forgot Oxley in Chickasha.
