## *Pennies versus Costly Delays*

You will be surprised at the low cost of getting things done quickly by telegraph. For instance, a Night Message of 10 words can be sent from coast to coast for 60c. The average cost of all forms of telegrams is only 69c.

Even to London, the cost of a message by CABLE is as low as 3 to 7 cents a word. Call our office for the rate to any point on land or sea.
