Mr Oscar Morning, Dear Sir
I think I can set you right
on the meteorite which several
fat worth people seen on
last Monday evening,
it fell in about the 200
yards of me and I live
about 45 miles straight
north of Fort Worth and I
am sure it was the one
you people seen. it came
down directly in front
of me and appeared to
be completely buried
up. this was about 7:30
o'clock Monday after-
noon.

Respt yours
Will V Powell
