Ft. Worth, Texas

Dear Sir:

In answer to your letter of August 25, 1936, requesting upper air data, we are enclosing the winds aloft for Wichita, Kans., Oklahoma City, Okla., Amarillo, Texas and Dallas, Texas. The only winds from Ft. Sill and Hatbox Field are those taken in the morning. The data on the form is self-explanatory. We hope the information furnished will be of some value in your investigation.

Respectfully,

H. P. Adams,  
Associate Meteorologist.
