New York City, 1 July 1920

Dr. George P. Merrill,  
Head Curator of Geology,  
United States National Museum,  
Washington, D.C.

My dear Dr. Merrill:

I greatly appreciate your courtesy in  
sending me you pamphlet on

"The Cumberland Falls, Whitley County,  
Kentucky, Meteorite,"

and congratulate you upon your description of this new  
terrestrial visitor. I hope to go over this more  
thoroughly at greater leisure, and will place it with  
my collection of meteorite literature.

With sincere good wishes, and renewed  
thanks, I remain

Faithfully yours,

(George F. Kunz)
