Dear Mr. Monnig, -

Your letter of the 2nd is at hand, and thanks

for it.

I'd already packed the Carlton slab you purchased for shipment,
so will send the two other specimens, the Weston stone and the Esther-
ville mesosiderite, separately in another small package.

You are free to buy either one or both or none, whichever is your
choice, and at the prices last written.

Thanks again, and best wishes for the coming Holiday Season,

Sincerely yours

E. M. Gunnell
