June 1-8. Start your classes, June 9.)

With Summer School "just around the corner" the Registration Committee has worked out a program of Pre-Counseling, and also Pre-Registration, which will doubtless prove popular with both students and faculty.

I. PRE-COUNSELING - May 1-6

This program will be centralized in the departmental offices throughout the campus. Each student now in attendance who desires to enroll for the Summer School will go to his counselor with whom he will select the courses to be taken during Summer Terms I and II. The student will be provided with a counseling card showing these courses.

The Pre-Counseling Card, when it is completed, will show the name of the student, the signature of the counselor, and the courses to be carried during the Summer. One copy will be retained by the counselor and the other will be given to the student.

Dean Holsapple of the Evening College, in order to protect your interest, is requiring a Pre-Counseling Card for day students who plan to take all of their summer work in the Evening College.

II. PRE-REGISTRATION - May 7 and 8

To make more convenient your summer registration, before you leave the campus at the close of the Spring Semester, two full days of pre-registration have been arranged.

The place will be the combined stage area of the Ed Landreth Auditorium and the Little Theater.

Come by initial letter of last name -

Thursday, May 7

9:00 to 12:00 A, B, C, D, E

1:30 to 4:00 F, G, H, I, J, K

Friday, May 9

9:00 to 12:00 L, M, N, O, P, Q, R

1:30 to 4:00 S, T, U, V, W, X, Y, Z

Classes will continue as usual. A student who has a class scheduled at the time he is due to appear for Pre-Registration, may

come at a later or earlier hour within these two days, for there will be reasonable elasticity.

The Procedure

Enter at the front of Ed Landreth Auditorium and pass down the South corridor to the stage door. After Pre-Registration the student will exit through the North corridor. Signs will point the way.

Registration materials will be available, including G.I. Bill requirements.

Each Dean will provide sufficient staff to care for all items relating to his school, including helpers to check the registration cards.

The Deans, or those who check for them, will retain the Matriculation Card, Student Enrollment (pink) Card, Public Relations (blue) Card, and an Admit to Class Card for each summer course. All of these will be clipped together and made available in the Business Office at the time accounts are to be paid.

Payment for summer courses will begin in the Business Office May 20 and will continue until the close of the Spring semester.

Students who pre-register May 7 and 8, and care for accounts May 20-30, need not appear on June 8, the regular Summer School registration date. Their classes will begin on the 9th as announced.

Students may secure books at the Book Store during the period, May 20-30, after clearing account in the Business Office.
