MAILING SERVICE EXTENDED

The mailing service of Texas Christian University has been extended to provide for a more efficient delivery schedule. Mail is now being metered through the mailing department twice each day. Trucks delivering mail to the downtown post office in the early afternoon will carry all mail metered before 1:00 or 1:30 P.M. There are certain trains carrying mail out of Fort Worth each evening which this new schedule makes it possible for us to meet. Mail requiring rapid delivery by these trains, therefore, ought to be in the mailing room before approximately 1:00.

Respectfully yours,

Noel L. Keith
