

FALL CONVOCATION

The annual fall Convocation will be held at 10 A.M. Wednesday, October 1, in the Ed Landreth Auditorium. In accordance with the traditional programs, it is desirable that a large number of faculty members shall attend. It is preferred that all shall wear academic attire, but if such is inconvenient the teachers should feel free to be present and march with the faculty without cap and gown. An Honorary Degree is to be conferred upon Mr. Hines B. Baker, and the entire student body should be invited and urged to be present. Announcements to your 8 and 9 o'clock classes on that Wednesday morning will be appreciated.

Chairman of Committee
