ATTENTION FACULTY

THE UNITED FUND DRIVE IS ON....a drive for the year. In the past fifteen years the staff of Telescopic Christian University has never missed a quota. Let us not miss this one. Our quota is \$3,054. This is more than twice the amount we gave to Community Chest last year.

Please do your best and do it promptly when a member of our committee approaches you.

FACULTY PLEASE NOTE

This year The Skiff is celebrating its 50th birthday with an especially large homecoming issue.

To those faculty members who attended TCU: we want you to know that a reporter has been assigned to interview you about your school days here. We'll appreciate your recalling past events to tell the reporter. Since the catalog is our only list of the faculty, we would be grateful if you will call us should you be missed.

To all Faculty members: we would like for you to be on the watch for tips on stories. The Science Division and associated student organizations will hold Open House Thursday Evening, October 9, 1952 from 7 until 9 o'clock in the new Science Building. All Faculty, students and friends are cordially invited to attend.
